400 METER

LAST RACER OUT FINAL

CLOSING CEREMONY

Last Racer Out

Each lap the last racer to cross the finish line is pulled. No racer can be more than 25 meters in front of the last athlete at any given time or they are disqualified. Each lap the pace gets a little faster. The last athlete from each gender and class to be left on the track is the winner of that division. Masters and Junior athletes will be awarded. Up to 30 athletes at a time start in this unique event.

The Handcycle Pursuit

One handcyclist and one wheelchair racer will form a team. Two teams will start on the opposite sides of the track simultaneously and race for 3000m. The team finishing first will win (both athletes must finish). This event requires mastery of pacing, speed, drafting and team work.

Onsite Scratches with clerk

No shows are dropped from heat only
